

Lesson 4: Changing places
Activity sheet: Setting the scene

AIM: This Activity sheet will help you plan the documentary 'Living with the ban'.

TASK: Use the grid to help you plan your scene! Repeat this for all of the scenes in your documentary.

<p>Scene 1. What is a good title for your scene? Write down the title.</p>	
<p>What happens in your scene?</p>	
<p>When would your scene be set?</p>	
<p>Where would the scene be set? Describe the surroundings.</p>	
<p>Who are the key characters in the scene?</p>	
<p>How would the scene start?</p>	
<p>How would the scene end?</p>	
<p>Pick some music or a piece that would go with the emotions that are felt during the scene.</p>	

When you're done, you could draw a scene from your documentary, you could act it out, or you could try filming it with your class!
